

Dear Parents/Guardians:

Thank you for your participation in RSTTA!

After a careful evaluation of the current programs, the RSTTA Board of Directors and Staff have established new requirements for the students involved in the organization.

Beginning Summer 2015, all students registered for the RSTTA Summer Enrichment Program must also participate in our 8-week Summer Tennis Program (June – August 2015).

Beginning Fall 2015, all students registered for the RSTTA Family Focus Tutoring Program must also participate in one or more of our tennis programming components during the 2015-2016 school year (September 2015 – May 2016).

In addition to our tennis programming, participants are welcome to attend our Family Focus Tutoring Program for assistance with homework and school projects and to enhance their overall study habits. The tutoring site (1101 N. Market Street, Wilmington, DE) is open Monday through Thursday 4:30pm – 7:30pm. **NOTE:** *RSTTA is deeply committed to the academic success of our students. All students enrolled must maintain academic grades of “C” or above. Any student who drops below this baseline must attend twice-weekly tutoring sessions.*

As a chapter of the USTA’s National Junior Tennis & Learning (NJTL), RSTTA strives to enhance the lives of our young student athletes by providing year-round innovative tennis and educational enrichment programs. While we remain committed to delivering academic assistance to those in need, our mission of *building lives through tennis & education* must remain two-fold in order to fully benefit your child.

We look forward to your family’s continued involvement with RSTTA!
